

One Eyed Bastard

One Eyed Bastard begint meteen met een stevige gitaarriff en mag verder ook stevig gezongen worden. De lyrics gaan over wraakgevoelens en het zoeken naar vergelding.

De shuffle/swing feel geeft weer een energieke vrolijkheid aan het liedje.

En de "Ba-da beng, ba-da beng" geeft samen met de shuffle/swingfeel van het liedje ook weer wat humor aan het geheel. Je zou hier ook nog kunnen denken aan genoegdoening, het is maar hoe je zelf de "ba-da beng" wil interpreteren. Deze gezongen frasering rolt in ieder geval lekker door in de maat en het maakt het liedje, naast de duistere lyrics, zo ook weer wat luchtig .

Voel het rollen naar de beat in deze shuffle en zing je lyrics hier naar toe. De lyrics rollen als het ware steeds naar de volgende tel en krijgen daardoor vanzelf een accent op de beat.
