## WE PRAY

"WE PRAY" (altijd gespeld in hoofdletters) is een nummer van de Britse rockband Coldplay in samenwerking met de Engelse rapper Little Simz, de Nigeriaanse zangeres Burna Boy, de Palestijns-Chileense muzikant Elyanna en de Argentijnse zangeres Tini. Het werd uitgebracht op 23 augustus 2024 als de tweede single van Coldplay's tiende studioalbum "Moon Music". In Nederland haalde de song de 4e plaats in de Top 40.

### **Vocale aanwijzingen:**

"WE PRAY" is een alternatief hiphopnummer. Er wordt zowel in gezongen als gerapt. De stukken zang worden percussief gezongen. Zo blijft het fris en boeiend. De gerapte stukken, met 'gekruisde' noten, kunnen veel attitude gebruiken. Pas aan het eind van het nummer wordt de zang meer verbonden (legato) en klinkt bijna als een echo vanaf de andere kant van de ruimte.

### **Volumes:**

Het zangvolume (dynamiek) is aangegeven met de cijfers 1 t/m 10. Zo kun je goed zien hoe hard je ten opzichte van de andere partijen moet klinken en hoeveel volume je mag geven.

Veel plezier met het zingen van dit arrangement!
